## Subject: Jaguar Drivers' Club – UK: Upcoming Events in September

Hello Everyone,

We have two great outdoor Jaguar events planned for September and hope that you are able to join us at one if not both of them. The first is our own Jaguar Meeting At Statfold Barn Railway on Sunday 13th September (see attached flyer and details below) and the second is the Jaguar Breakfast meeting at Gaydon on 5th September (see details below).

This splendid venue is close to Tamworth and can be easily accessed from Junction 11 of the M42.

2. Jaguar Breakfast Meeting at Gaydon on 5th September 2020 - important update

This event is currently assumed to be going ahead, and we are looking for a good turnout of Jaguars - particularly XJ-Ss, the 45th anniversary of whose introduction is being celebrated at the event.

Please note that in view of the Covid 19 problem, we have now been advised by Jaguar Heritage that all Members wishing to attend must book in advance via the British Motor Museum. Please see the e-mail below from the JDHT's Tony Merrygold, which contains all the relevant information.

Club Directors and XJ-S Committee Members will be there to welcome you.

Ladies and gentlemen, plans for our Jaguar day at Gaydon are progressing well along the lines already planned:

- Jaguar owners from any club welcomed
- XJS Club are having their National Day - designated parking for XJSs
- Variety of special XJS already booked in
- Jaguar Breakfast Club participating
- Reduce day rate of £10 per adult, £7 per child
- All 'Gift Aided' free tickets honoured

See JDHT event calendar page for full details <https://www.jaguarheritage.com/event/jaguars-at-gaydon-september-2020/>  
and BMM website for online ticketing <https://www.britishmotormuseum.co.uk/whats-on/jaguars-at-gaydon>

Feel free to lift any information from either of these two web pages for your own news items. These will be updated as details change/evolve.

One thing we are keen to push for the event - We are particularly keen to encourage Jaguar ownership among younger owners! To that end the Jaguar Daimler Heritage Trust will present one of our rare 'Trust Trophys' to the youngest XJS owner/driver to bring their car to Gaydon on the day.

To comply with Govt COVID-19 regulations and NHS Test and Trace - tickets need to be booked in advance - so that the museum captures contact details.  
Let me know if you need any further information.
