Dear JAGUAR DRIVERS' CLUB members,
Ladies and gentlemen, fans of classic sports cars and Jaguars,

Our club offers its members and owners of classic (models before 1971, XJ before 1979, XJS, XK) or F-Type Jaguars and other selected models the opportunity to experience and share unforgettable moments during the SPA CLASSICS 2024.

Have you ever strolled through the paddocks and alleys of the mythical circuit, located in the middle of the Belgian Ardennes?

Have you seen races with exceptional cars and have you applauded the drivers from the stands of perhaps the most beautiful race circuit in the world?

Have you ever dreamed of taking the famous Raidillon bend and other spectacular turns behind the wheel of your Jag between the roaring cars on the circuit?

Unique experiences

The Belgian Jaguar Drivers Club (JDC) offers you the opportunity to take part in these unique experiences on May 17, 18 and 19, 2024, with the support of Peter Auto.

The entrance fee gives you unlimited access to the area within the circuit for 3 days, so you can visit the entire site, the paddocks and the stands.

More than 400 professional drivers with vintage cars from 1950 to 2000 will make an appearance. In addition, there are an additional 1,000 vintage cars from Europe and the United Kingdom on display. Walk around the paddocks, see the beautiful cars up close and experience the preparations of the mechanics and drivers firsthand. A preview? Watch [this video](#).

Through our club, you can sign up for a number of unique experiences;

- Park your Jaguar in your reserved spot at the JDC stand inside the paddocks
- Driving sessions organized by Peter Auto. (booking requested)
- Access to the paddocks, tribunes and stands
- Lunch at the Eau Rouge Driver's Club (optional)
- Private dinner within the gated circuit grounds on Saturday evening
- Depending on the number of participants, other activities will be proposed.

Registration form

Please complete and return the enclosed registration form with the different formulas. A downpayment of 50% is requested . Given the size of the event, we need to quickly gain insight into the number of participants per activity.

We recommend booking the riding sessions on Saturday to ensure we have large numbers at dinner, but feel free to choose other days. If you would like to experience a driving session, please register quickly so that we can reserve the limited slots available.

We are aiming for more than 200 Jaguars

We currently have about 150 interested parties. Our hope is to gather more than 200 classic and F-type Jaguars at our stand.

You do not have to be a member of our club to participate. We also accept Jaguar Club members and even independent Jaguar owners from abroad.

Do not hesitate to contact us for further information. We look forward to your participation.

See you soon,

On behalf of the Jaguar Drivers' Club
