***Dear members of the Jaguar Drivers' Club,
Ladies and gentlemen, enthusiasts of classic sports cars and Jaguar,***

*We are delighted to invite you to the 25th edition of Spa-Classic, taking place on **21, 22 and 23 May 2027** at the legendary **Spa-Francorchamps** circuit.*

*Spa-Classic is a must-attend event for enthusiasts of historic motorsport. It brings together more than **400 drivers** and their classic racing cars, spanning the 1950s to the 2000s. A true journey through time, on an iconic circuit.*

*For the third time, we are organising our **international gathering** of Jaguar Drivers' Clubs, welcoming members from Belgium, France, Germany and the Netherlands. Beyond our shared passion for Jaguar, this is above all a unique opportunity to enjoy **three exceptional days** together, filled with camaraderie, adrenaline and the thrill of driving. **Various driving sessions** will be organised throughout the event, allowing you to make the most of the circuit.*

*Imagine yourself **behind the wheel of your own car**, on one of the most beautiful circuits in the world. Experience the thrill of driving on the track, cross the finish line under the chequered flag and, above all, tackle the legendary **Raidillon**, whose fame extends far beyond our borders.*

For many car enthusiasts, it is a dream. We are giving you the chance to make it come true together.

Are you ready to take on the challenge and join us on the circuit?

We look forward to seeing you again at this new edition and sharing unforgettable moments together.

Registration

As you know, this event attracts great interest from car enthusiasts and clubs every year.

To prepare for the 2027 edition as effectively as possible, we ask you to complete the online registration form on our website **before 20th of November**.

This will allow us to estimate the expected number of participants, reserve the driving sessions and provide the organiser, PETER AUTO, with the necessary information in good time.

Please note: After 20 November, we can no longer guarantee your participation in the driving sessions !

The choice of driving sessions is entirely yours. However, we recommend choosing driving session 4 on Saturday, so that as many club members as possible can come together for the organised dinner.

What is included in your registration?

- Access to the circuit for all three days, without restrictions.
- The opportunity to explore the entire site, including the paddocks and pit boxes.
- The opportunity to park your Jaguar in our reserved area at the F1 grandstand, offering a magnificent view of the circuit and the chicane.
- The opportunity to take part in the driving sessions organised by Peter Auto, subject to a separate advance reservation.

Do you have any questions? Please feel free to contact us by email.

We already look forward to your participation and to seeing you again in the heart of the Belgian Ardennes!

See you soon,

Christine Deldime
